AUG 23

Celebrate with us as we mark 75 years of supporting our brightest stars—the children—during this special Diamond Anniversary year!

Reserve your table to Chattanooga's premier gala event now!
— PROCEEDS BENEFIT SISKIN CHILDREN'S INSTITUTE —

Celebrating 75 Years of Hope for Children and Families

For 75 years, Siskin Children's Institute has been a cornerstone of care, empowering children with disabilities and their families through transformative services and unwavering support. Since its founding in 1950, the Institute has illuminated a path toward brighter futures for children of all abilities. StarNight 2025 will mark this extraordinary milestone by celebrating the heart of our mission—the children whose strength, resilience, and joy inspire us all.

As one of the most anticipated events on Chattanooga's social calendar, StarNight has become synonymous with elegance, entertainment, and philanthropy. This year promises to be even more remarkable. While details are coming soon, attendees can expect an unforgettable evening of inspiration, celebration, and the chance to create a profound impact for generations to come.

To make StarNight 2025 a success, we are proud to have over 25 dedicated community leaders working tirelessly to raise awareness and support for Siskin's essential services, including developmental medicine and early intervention care. These leaders represent a diverse range of local businesses and organizations, including:

CBL Properties, City Paper Company, Cornerstone Consulting Source, Emory Innovations, Inc., Fareri Academy, Girls Preparatory School, Husch Blackwell, NAI Charter, Shire Facial Plastic Surgery, Silverdale Baptist Academy, The Burd Law Firm, The Enterprise Center, Chattanooga Times Free Press, Transcard, Tennessee Valley Authority, University of Tennessee at Chattanooga, and Vascular Institute of Chattanooga.

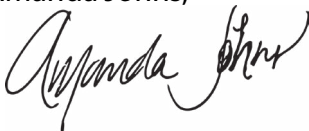

Your support is the key to ensuring Siskin Children's Institute can continue to provide life-changing care for another 75 years and beyond. Whether as a sponsor or donor, you have the power to make a lasting difference. Together, we can ensure that every child and family who turns to Siskin receives the care, support, and hope they deserve.

Visit www.siskin.org/starnight or call 423.648.1706 today to learn how you or your organization can join this momentous celebration.

Let's unite as a community to celebrate the incredible children of Siskin, honor their journeys, and shine a light on a future filled with hope and possibilities. Don't miss this historic event—together, we can leave a legacy of love and opportunity for years to come.

Thank you for being part of this extraordinary mission,

Amanda Johns,

Director of People and Culture - PlayCore
StarNight 2025 Cochair

Lynda Minks Hood,

Executive Director - Chattanooga Bar Association
StarNight 2025 Cochair

Shannon York,

Director of Marketing and Communications
StarNight 2025 Event Manager

Empowering Children with Developmental Needs

OUR MISSION

Siskin Children's Institute works to improve the quality of life for children with special needs and their families.

OUR VISION

Siskin Children's Institute will be a nationally recognized leader of evidence based services for children with diverse abilities using a family centered approach to increase access and opportunity for each child to reach his or her life goals.

Founded in 1950 by Mose and Garrison Siskin in Chattanooga, Tennessee, Siskin Children's Institute achieves its mission through pediatric health care services, home and community-based programs, and outreach services in the field of developmental disabilities.

Developmental-behavioral Medicine

The Siskin Center for Developmental Pediatrics is a regional developmental pediatric center, led by a team of developmental pediatricians, with services available in Chattanooga and Nashville, TN. Children are referred to the Institute for medical, psychological and cognitive assessment, diagnosis and treatment, including occupational, speech and language, feeding, and applied behavior analysis therapy services.

Early Intervention Care

The Siskin Home & Community-Based Early Intervention program is designed to help parents, other caregivers and children with special needs gain the knowledge and confidence they need to be successful in life. Through visits with an early intervention coach, the family receives information, support, guidance and consultation about improving the child's and family's quality of life. It's a program that can be provided in the home, child care center, the park or other natural settings in the community.

Family Support Services

Siskin Family Support Services offers guidance and resources from a team with firsthand experience caring for individuals with special healthcare needs, chronic illnesses, or disabilities. This personal connection allows us to support, train, and work collaboratively with the families we serve. We're proud to partner with Family Voices of Tennessee and the Tennessee Disability Coalition, serving as the local resource hub for families in the Chattanooga area. Our services include healthcare navigation, family support and training, consultations, and professional development in fields related to special needs and early childhood development.
